

FIR Inspiration Award

This award is open to anyone operating within the construction industry. It will recognise individuals who have championed Fairness, Inclusion and Respect principles within their scope of work. We want to shine a spotlight on an inspirational individual who has initiated positive change to help create an inclusive workplace or succeeded in attracting talent into the industry from more diverse backgrounds. They need not be in a leadership or senior role but nonetheless have made a difference and influenced and inspired others in their organisation and/or beyond.
